

2018 Payment Information

As stated in the Club Constitution, the Oxford Saints operate on a 'not for profit' basis, which means we are dependent on subscriptions from players and business sponsorships to run the club.

Players are required to pay their annual subscription to the club to take part in training events and to be eligible for game selection.

We review our fees every year to ensure they remain competitive, represent value for money and are in line with our vision for the club to achieve it's goals.

The club uses **GoCardless.com** to handle player subscriptions payments, which uses the UK direct debit system. More information about their service is available here: <https://gocardless.com/>

What is not covered by player subscriptions?

Playing equipment – The team will provide your gameday uniforms (jersey & pants) but you are required to purchase the other mandatory playing equipment. The club can advise you on what is required and the best places to look. Existing players may have equipment to loan/sell.

Travel – The club will usually arrange coach travel for games if there is demand and will subsidise the cost. Players however may be asked to contribute if they wish to use the team coach.

Definitions of Veteran, Rookie & Student

Veteran – a player who has been with the Oxford Saints for at least 1 whole season.

Rookie – a player who is new to the Oxford Saints, or who has played less than 1 season with the Saints (this includes players transferring from other teams) *

Student – a player who is currently a student at college or university. *

** Most rookies/students do not own playing equipment, so there subscription rate is lower to assist with the costs in starting a new sport.*
